

**P-38 National Association**

# **“Aviation Sunday” at Flabob Airport April 10, 2011 2:00-4:00 PM**

**OPEN TO THE PUBLIC!**

**The P-38 National Association  
proudly presents**

**Flora Belle Reece**

**World War II WASP**

**(Women Airforce Service Pilots)**

Reece was one of only 1,074 daring young women who tested and flew military aircraft during WWII. They climbed in the cockpits of trainers, target-towing planes, fighters and bombers to free up the men so they could fly in combat missions.

Hear Flora Belle's personal story and relive her experiences as one of the original "Fly Girls."

Flabob Airport  
4130 Mennes Ave.  
Riverside, CA 92509
